Special thanks to those individuals who reviewed this manuscript and helped to make the information more complete, exact, and useful. They include: Frederick G. Barr, M. D. , Medical Oncologist, Washington, D. C. ; Catherine S. Cordoba, M. S. W. , Director of Service and Rehabilitation, American Cancer Society, California Division; Kathryn K. Himmelsbach, A. C. S. W. , Director, Service and Rehabilitation, American Cancer Society, D. C. Division; Barton L. Kravitz, M. D. , Metropolitan Psychiatric Group, Washington, D. C. ; Basia Kulawiec, Program Director, The World Affairs Council of Maine; Jane Lewis, Health Communication Consultant; Margaret J. Lloyd Robertson, M. Ed., M. S. W. , Division of Hematology—Oncology, George Washington University Medical Center; and Nancy S. Mihocik, Teacher/Chemical Counselor, Rocky River High School, Rocky River, Ohio.

Thanks also to persons representing the many organizations, facilities, and other resources included in this book who willingly explained their services and clarified the information.

Leon A. LeBuffe, Ph. D. , Executive Director, American Cancer Society, Los Angeles, and Diane Adams offered tremendous support as well as valuable critical perspective throughout this project. They encouraged me, reviewed every draft of the manuscript, and offered important insight and suggestions and help.
