Rick Steves doesn't just list where to travel in Europe, he leads travelers through the "Back Door, " and reveals how to give every journey an extra, more authentic dimension. He shows travelers how to delve into European culture, make friends with the locals, and experience each region's natural wonders -- economically and hassle free. Rick Steves Spain and Portugal 2002 is no exception. It covers Madrid, Barcelona, Andalucia, Lisbon, the Algarve, and includes Morocco.
