Herbal Bounty! The Gentle Art of Herb Culture

Herb secrets now widely available for the first time

An herb renaissance has taken root. Herbal Bounty!

offers fascinating information on plant names, propagation,

harvesting and drying methods, cultivation techniques,

herb uses, and fresh ideas for herb garden designs.

Beautifully illustrated wltt~ drawings and watercolors by
D.D. Dowden

"Here is a volume which will long find a place in the
hearts of many who yearn to grow their own herbs and
reap enjoyment from this hobby, which can be counted
as one step closer to Nature in our hurried, harried
world "

Richard Evans Schultes, Director
Botanical Museum, Harvard University
