One
Chelsea Kearns striped the surgical gloves from
her hands and tossed
them in the Contaminated
Waste Disposal bin. In the locker room she show-
ered¼E then dressed in street clothing of khaki slacks
and a cotton shirt of
cool¼E mint green.
Once outside the hospital¼E which housed the
county morgue¼E she breathed deeply several times
before unlocking her car
from the passenger side¼E
opening both doors and letting the accumulated
heat
escape.
Here in the Beartooth Mountains of Montana just
north of
Yellowstone National Park¼E summers were
usually pleasant--low eighties
during the day¼E forties
at night. The temperature on the digital display at
the
bank proclaimed the temperature to be ninety-three.
