Scorched by the dark fires of love, Julie Hollstrom races the challenge of the open frontier with a strength born of heartbreak and scandal. She desperately tries to mask her own delicate beauty, to deny the very passion that sings in her blood. Now fate draws Julie to the one man who can reawaken the woman in her. A handsome outcast haunted by the memory of unspeakable tragedy, Del Morgan, with his b~ng green eyes, turns Julie s icy reserve into flaming desi, e. Once a prosperous doctorl
