Boy Bands Beware! Britney Spears is blazing a Billboard trail that can't be beat. With the monster success of her debut album, ...Baby One More Time, and her super single by the same name--both of which blasted their way to the number one slots on Billboard's Album and Hot 100 Singles charts within the same week--Britney's become a certified teen queen! A sweet Southern Miss with an awesome voice and tons of energy, Britney also has that girl-next-door quality that just makes you want her to be your best friend. But just how did Brit sing and dance her way up the charts and into our hearts? What's this seventeen-year-old superstar really like? How'd she get from the Mickey Mouse Club to heavy rotation on MTV? What was her life like before she became music's newest hottie? How can one copy her fabulous new look? And hey, what's up with the Romeo rumors--is she really dating a certain member of N Sync? We

ve got the total scoop. Read all about the sensational Britney Spears right here!
