The Great War of the Gods means nothing to the??proud people on the mortal planet--until Akhran the??Wandering God decrees the union of two mighty??feuding clans. Though the families are fierce??Warriors, they are few in number. Even the marriage of??Khardan and Zohra is not enough to over power the??strength of the invading army or prevent the??imprisonment of their peoples. Now, with Khardan and??Zohra mysteriously missing--seemingly cowards who??hid from certain defeat--the two clans have lost all??hope of ever again seeing their beloved open??skies. But Prince Khardan and Princess Zohra, aided by??the wizard Matthew, have been given another??mission...a mission that at first seems less

useful??than counting the many grains of the desert sands， ??but soon proves to be of far more lasting??importance.
