After Hudson Savage betrayed her, Dana Cardwell hoped never again to lay eyes on the seductive cowboy. And she didn't. Until a bunch of old bones showed up on her family ranch. Suddenly he was back in her life in a big way--to investigate a decades-old crime. This time Hud wasn't walking away. Because now Dana's life was on the line, as the unsuspecting target of a killer who still walked the canyon. Hud would do whatever it took to keep Dana close. Even if it meant risking his own heart for a second chance for both of them. Romantic Times BOOKreviews gives this exhilarating read 4.5 stars.
