□ It s a guide to the best travel values in all price ranges-deluxe, moderate, and budget-carefully selected and described by an experienced travel writer.

□ It was personally researched and written by the author (not a committee), who has gone there before you.

- It's reliable and detailed, giving full descriptions of accommodations and restaurants, not cryptic uninformative lists.
- It quotes exact prices in local currency and U.S. dollars.
- It provides full particulars about sights, attractions, sports, shopping, culture, nightlife, and history.
- It includes alphabetically arranged sections on the practicalities of daily life.
- It presents the many transportation choices you have of getting there and getting around.
- It's comprehensive, covering all the cities and regions of Switzerland. To name a few: Zurich; Basle; Berne; Lausanne; Geneva; Lucerne; Lugano; Locarno; the Juras (Gruyeres, Neuchatel); the Bernese Oberland (Interlaken); the Valais; the Grisons and Engadine; the Ticino; North-eastern Switzerland; and in Liechtenstein, Vaduz, the Unterland and Oberland.
- In short, it gives you the most detailed and accurate information available, and the most value for your money.
