Stay Happily Married! And they lived happily ever after. Most young couples enter marriage with high hopes and aspirations. But reality says differently--and "mature" married couples will be the first to admit it. Prince Charming may be good-looking, especially in those cute tights, but he also snores, picks his teeth, and has a hundred other annoying habits. And, if Cinderella is perfectly honest, she's not so perfect herself. As the authors remind us, "Falling in love is easy, getting married perhaps even easier, but staying happily married is much more difficult." In this book a husband and wife on the horizon of the twenty-first century will learn ways to: Deal successfully with the frustrations and disappointments of marriage Overcome the temptations to give up when the going gets tough Stay committed and contented as a couple With hope, humor, and wisdom, Jerry and Judy Schreur analyze problems and offer helpful, Bible-based solutions. When Prince Charming Falls Off His Horse is the culmination of thirty-three years of marriage and twenty-five years of counseling--it's honest, unflinchingly realistic, but most of all a loving celebration of married life.
