The important points stressed in the "Play Bridge!" television series are outlined and explained in this book. There is no need to spend time copying sample hands from the screen. All of the hands and their explanations used in the series will be included. There is space at the end of each chapter for your notes so that you can jot down information

you particularly want to remember. We suggest that you take your notes here so that all of your information on bridge will be in one handy location.

After you have watched the lesson on television and read the corresponding chapter, you can check your understanding of the principles in the "TEST YOURSELF" section at the end of the chapters. Try to find the answer to the problem and explain why you bid or played as you did, before looking at the explanations.

Many systems have been devised for the bidding and play of contract bridge. We are using the American Standard System, introduced by Charles Goren, because it is recognized and used universally. If you know this system,
