An electrifying new thriller from The New York Times bestselling author, one of the originators of the big-city police novel William J. Caunitz, the author of such classics as *One Police Plaza* and *Exceptional Clearance*, is back in bestselling form with his latest New York City cop thriller, *Chains of Command*. When a young police officer is shot and killed in his girlfriend's apartment in Washington Heights, investigators suspect that he had been taking money from the Dominican drug gangs that rule the neighborhood. An ambitious female deputy police commissioner and a daring detective lieutenant go up against the forces of greed, rivalry, and long-buried secrets to protect the ones they love and solve the crime of their careers. These two cops are the best of the true blue, brave, and loyal.* Caunitz's first four novels were New York Times bestsellers* *Cleopatra Gold* was a New York Times Notable Book in

1993" He knows more about cops and what moves them [than] Joseph Wambaugh or George V. Higgins. Its special strength is its carefully exacting depiction of what the working life of a big-city police department really is like." --The New York Times Book Review (on One Police Plaza)
