"A great romp. From to-die-for lunches in Manhattan to black-tie dinners at the White House, we follow the widowed Marika through a glittering year The book molds itself into a tempting periscope, able to peek around corners straight into the exclusive watering holes and private quarters of the rich and

famous."

The arizona daily star The author s experience in the worlds of high poitics
and high manners shows in the authenticity of every
pge."

Edward stewart Author of Privileged Lives
