Peter and Rina are delighted with their newborn baby girl, but the scene at the Los Angeles hospital is a nightmare. Budget cutbacks and staff shortages so compromise security in the nursery that Peter, the ever-anxious cop, worries about his family's safety. Then a baby is kidnapped and a respected nurse vanishes along with her. Peter, his tough-talking partner Marge, and Peter's eager older daughter Cindy pursue a twisted path of hospital politics, misplaced passions, and tortuous mind games of guilt and redemption that bring them face-to-face with the most grievous sin. ...
