When he lies down to sleep, this landscape is always on his mind: ,

A Pine forest covers the hills. as thick as the fur on a bear's back. The sky is SO blue. in the clear mountain air, that it hurts his eyes to look up. Miles from the road there is a secret valley with steep sides and a cold river in its cleft.

Here,hidden from strangers’ eyes,a sunny south-facing slope  
has been cleared,and grapevines grow in neat rows.

When he remembers how beautiful it is, he feels his heart  
will break.

Men, women, and children move slowly through the  
vineyard,tending the plants. These are hisfriends, his lovers,  
his family. One of the women laughs. She is a big woman  
with long,dark hair,and he feels a special warmth for her.

She throws back her head and opens her mouth wide,and  
her clear high voice floats across the valley like birdsong.

Some of the men quietly speak a mantra as they WO成praying  
to the gods of the valley and of the grapevines for a good  
crop. At their feel,a few massive tree stumps remain, f0  
remind them ofthe backbreaking work that created this Place  
twenty-five years ago.
