Ewerton: a decaying small town, its glory days many years gone-- if they ever existed.... Few residents know that these times were built on corruption and lies. that the town was founded on evil. Palmer Winston glimpsed the eerie truth in a mysterious woman and spent his last fifty years trying to recapture it. t lis oldest friend. Palmer Nemmitz. saw her too--it turned him sour and mean. as his humanity withered within him.

The Water Carnival: a faded memory of imagined better times. This year will be the most memorable in Ewerton history. This year the South-State Enterprises Carnival outlawed in Ewerton since 1923. returns. The crooked games, the mentalist. the freak show. And the true horror, disguised by a beautiful face and a Veronica Lake waterfall of caramel-blond hair. a thing born of corruption.

The Ewerton High ten-year reunion: when she will return to her hometown and give birth to a terror from which there can be no escape
