Fern Michaels continues her magnificent new trilogy about the Coleman and the Thornton dynasties that she began in Vegas Rich. This is the story of the Thornton clan, more specifically Fanny Thornton, who takes over Babylon, the family's magnificent Las Vegas casino, when her ex-husband, Ash, falls desperately ill. It is also the story of Fanny's search for her own roots, her relationship with Ash's brother, Simon Thornton, the mysterious Marcus Reed, and her four grown children, each with their own successes and failures.
