If you are a Webelos Scout and you are just joining the pack, the first thing you do is register; then you learn and pass the Bobcat requirements.

Get an application to join a pack. Fill it out, have your parent sign it, and give it to your Webelos leader together with the registration fee. Then go to work on your Bobcat

requirements, which are explained on pages 397-402. When you complete them, have your parent sign the Bobcat scoreboard on page 397.
