This is not the story of my life and I'll tell you why.

Those who knew my idol, W. C. Fields, have told me that when a young writer asked for permission to write the story of his life, the great one replied, "Please do. Capital idea. Do it right away. I can't wait to see how it turns out."

I feel the same way Fields did. I'd like to know what the finish is. That's important to anyone who has ever done comedy. That's why we all live with that embarrassing feeling you get when you're in the middle of a yarn and suddenly realize

ize that you ve forgotten the finish . . . the punch line. H~rible feeling.

So, since I have no way of knowing the big, getaway fini to my life (where the ship is sinking and I tear off my life jac et and give it to Johnny Carson), this book must remain me1 ly a collection of incidents, .activities, and happenings tha still remember. Time, with a little help from an occasiol todody, could easily turn them into gross exaggerations, ma moth lies, or completely erase them from my mind.

But everything is as true as memory could re-create it ar in one way or another, is a milestone along the route tt brought me tb that seat on the right of Johnny Carson whic have occupied for over thirteen years, five nights a we~ fifty-two weeks a year, exclusive, of course, of the nigl Johnny takes off and I m seated on the right of the highly perienced Joey Bishop or McLean Stevenson, John Dav son, Sammy Davis, Bob Klein, David Steinberg, Pearl Bail~ Joan Rivers. John Denver. Liberace, Karen Valentine,
