Savor the story of the ultimate warship in Sovereigns of the Sea: The Quest to Build the Perfect Renaissance Battleship, which chronicles the history of Sovereign of the Seas, an immensely powerful floating fortress. You will enjoy this gripping tale of an arms race that created and ruined empires, changed the map of the world, and led Europe out of the Renaissance and into the Modern age. Understand how the Sovereign of the Seas became the model for a whole new generation of warships that would dominate naval warfare until the advent of steam power.

作者介绍:

Angus Konstam is a widely published author who has written several books on piracy, including Blackbeard: America's Most Notorious Pirate, The History of Pirates, and Piracy: The Complete History. A former naval officer and museum professional, he worked as a curator of weapons in the Tower of London and as the chief curator in the Mel Fisher Maritime Museum in Key West, Florida, before becoming a full-time historian and writer.
