In order to understand how the 2008 tax laws will affect you and properly plan your financial future you need clear explanations, not complicated tax jargon. With this accessible guide, the tax professionals at PricewaterhouseCoopers take a straightforward approach to explaining how today's tax rules may affect your personal finances and how you may benefit from available opportunities. Throughout the book, they outline ways to handle your investments, plan for your retirement, pay for your children's education, realize tax savings, and much more.
