Katie's given up on love . . .so she'll be the perfect bride. When Katie Simpson discovers her boyfriend boffing "Fishpants Fraser, " she vows to eat toenail clippings before getting involved again. Life as "the ginger spinster of Pelham Parish" will be lonely, but bearable as long as she shags lots of strangers and hangs tight with her friends. Unfortunately, Katie has the unerring ability to hit on the only gay man at the party (not again!). And her pals are somewhat preoccupied. Mover-and-shaker Janice has started scoping funerals for doddering sugar daddies. George, Katie's gorgeous, flamingly gay best friend (yes, she's tried it), is madly in love with an Aussie heartbreaker (struck out there, too) who needs some speedy nuptials to stay in the country. What better opportunity to plan a fake wedding more elaborate than a ten-tier cake? However, love hasn't given up on Katie. Just when the girl who eats like

a cow, wears clompy shoes and is unacquainted with her own hairbrush starts trying on white dresses, romance comes from the unlikeliest -- and straight and male -- source. Will Katie let the man she loves ruin her wedding day? See all Editorial Reviews
