What can one person do?

This book proves that we are surrounded by opportunities to impact our world through the powerful means of intercessory prayer. Filled with challenging teaching and spiced with remarkable real-

life stories, this book answers this question.

It demonstrates the power of God that is available to those who listen to His voice and obey what He says. so that His hand is moved on behalf of others.

Through decades of personal experience, Joy Dawson has proven the practical.

Biblical principles shared in this book. She makes it clear that we are all called of God to be intercessors. Nowhere in the Scriptures does it state otherwise.

Intercession, Thrilling and Fulfilling spells out the price to be obedient, but leaves us in no doubt that the rewards and fulfillment far outweigh that price. We become history shapers and closer friends of Almighty God.

As Jack Hayford says in his foreword. "It is the people who ride the high places with God, who in partnership with Him, determine the affairs of humankind in the valleys and plains below."
