In this glittering family saga, Amber Sail has been raised in a world of wealth and privilege by her powerbroker father, Max Sail. Smart, shrewd, and determined to achieve, whatever the cost, Amber jet-sets around the globe, more like Max than she ll ever know, finding

support in her best friends, Becky and Madeleine, whose own lives are spiraling out of control. Paola, Amber's half-sister, groomed by her mother to succeed where she failed--getting a man to marry her--is determined to receive everything Amber has, anyway she can. Amber and Paola's father, Max--rich, utterly ruthless, and a man without a past--is married to Angela, a society debutante who fell in love with him back when he was still an enigmatic, handsome chauffeur. Angela broke her parents' hearts when she married Max, and has come to rely on alcohol to cope with his infidelity. And Francesca, Max's longtime mistress, once a glamorous Alitalia airline stewardess, sees in Angela's husband her ticket out of the Italian provinces.

Moving effortlessly across five decades and several continents, *Saffron Skies* is a magnificent story of sisters, friends, families, and love from Lesley Lokko, an outstanding new voice in women's fiction.
