The star litigator from a top-notch law firm has gone missing , along with 5.6 million dollars from a class-action settlement, and "Mack" Malloy, a foul-mouthed ex-cop and partner-on-the-wane must find both. Immediately. Turow's third novel takes us back to Kindle County, where skies are generally gray and the truth is seldom simple, in an edge-of-the-chair story rife with indelible characters and riveting suspense.
