In this wonderfully evocative volume, Jimmy Carter writes about the things that matter most, the simple relaxed days and nights that he has enjoyed with family and friends through the years and across the generations. Here are lively, witty accounts of exploring the outdoors with his father and with black playmates; making furniture; painting; pursuing new adventures and going places with children, grandchildren, and friends; and sharing life with his wife, Rosalynn. Sharing Good Times is an inspirational guide for anyone desiring to stretch mind and heart and to combine work and pleasure.
