An increasing number of parents are deciding that they would rather have one parent at home raising-and perhaps even homeschooling-their children. Joanne Watson knew she wanted to stay at home, but she and her husband didn't think they could afford it. But with a lot of hard work and research, she helped her husband triple his income, allowing her to stay at home and raise their children. In HOW TO HELP YOUR HUSBAND MAKE MORE MONEY SO YOU CAN BE A STAY-AT-HOME MOM, the author shares the techniques and secrets she used to help her husband make more money. Providing information on how a wife can help her husband boost his income -by getting a raise, finding a better paying job, building a business of his own, or making the one he has a success-this is the guide book for those women dreaming of being a stay-at-home mom.
