In Jones's haunting debut novel, readers are taken inside the mind of Lucy, who has fled a painful past to work as a translator in Japan. It is there that she begins an affair with a secretive photographer named Teiji. But it is when Lucy and Teiji befriend Lily Bridges that Lucy's own life begins to fall apart.

Def got everything 'bout nothing I see... 这拍出来会是什么样子啊
坎妹这几年选片真的一言难尽.....

比电影版好点，不过没读完
