poe 蠢得简直像同伙。

-----  
The children arrive at the Lucky Smells Lumber Mill and unearth some unsettling

accusations about their parents. Count Olaf courts an old flame. Klaus just isn't himself after seeing Dr. Orwell, and optometrist with oddly optimistic patients. Meanwhile, Violet works to clear her parents' names.

绝对不恐怖，但是应该可以用作恐怖片的素材，故事的小孩子们很悲情，也不知道这作者咋想的。

你要是能看完整个系列算你狠。。。太他妈幼稚了！！！！！！
