Preface
HIS book is a greatly expanded and completely updated version of the Money Guides that were published in 1983 and 1984. It is based largely on the work of my distinguished colleagues--the writers, reporters and editors of Money--and to them it is dedicated. One part of my job as Managing Editor is to choose articles from the magazine, abridge and rewrite them, then present them on the CBS Radio Network in two daily broadcasts titled "Your Dollars" and "Your Money Minute." I have revised, re-edited and updated a selection of those scripts to create the nearly 400 chapters in the book. Readers of Money have benefited from the rare insights of such journalists as Jerry Edgerton, Patricia A. Dreyfus, Diane Harris, Gretchen Morgenson, Andrea Rock and the late Charles Roemer, writing on various investments; Gus

Hedberg and Tyler Mathisen on computers; Richard Eisenberg on taxes and government policy~
Marlys J. Harris and Carrie Tuhy on a host of consumer affairs;
Candace E. Trunzo on financial planners; Suzanne Seixas on family
finances; Robert Runde on housing; William C. Banks on spending;
John Stickney on education and Denise M. Topolnicki on legal
issues -- among many other subjects. I hope that I have been able to
preserve and convey their main points.
Let me express my appreciation to Money's Executive Editor¼ Lan-
don Y. Jones¼ and the other staff members¼ present and past¼ whose
work is reflected here:
