1982£®Baltimore£¬Maryland£®A young
 man bides time in a dimly lit gay bar£®He
 reads the local gay paper£¬which features a
 story about six gay men hospitalized with
 either a rare form of pneumonia or a cancer
 previously seen only in elderly Mediteriª
 ranean men£®Immediatelyi¼£his mind flashes
 back to a Japanese science fiction movie
 called The Mysterians that he saw as a child
 in which an alien race unleashed a fatal
 virus that decimated the

human race£®At one
 point the alien leaderi¼Ewho looked like a preja
 cursor to Darth Vaderi¼Eannounced on every
 television in the world£®i°Resistance iS fuja
 tile--surrender a11 hope£®j±People fell dead in
 the street£¬covered with spots like medieval
 plague victims£®That movie kept an eightja
 yeariaold boy up for weeks£®NOW he canj¬t reja
 member how it ended£¬but he feels hej¬S back
 living those childhood nightmares£®A former
 partner comes over to him£¬but his face has
 the drawn look of a sick person£®The young
 man mumbles some words and walks away£®
