1
 he Cruise ofP Arctic Star iS the story of a voyage from
 San Diego tO the Columbia Riveralong the California and
 Oregon coastsItS the first part of a longer voyage that
 took four summers and went on along the coast from the
 Columbia tO Seattlethrough the Inland Passage tO Alaska
 Much of the story is a voyage into the pastIt follows
 in the wake of the Spanish explorers Juan Cabrillo and
 Sebastifin Vizcalnothe English pirate Sir Francis Drake
 the merchant sailor Richard Henry Dana and captains of
 the New England clippersIt also follows the footsteps of
 such landsmen as Father SerraJed SmithLean JohnKit
 Carson and John SutterSo the book has tO do with the
 land and the seathe past and the present
 For those interested in boat detailsA rctic Star iS an off
 shore cruisermodeled after the Alaskan fishing trawlers
 designed by Ed Monk and built

in SeattleShe iS fifty feet
 overalldisplaces thirtytWO tons and iS planked with
tWO
