wouldn't miss for the world (and neither would I for that matter)
is the familiar
nightly session of bedtime reading; exploring exotic
lands¼ learning about
witches¼ monsters¼ frogs¼ balloons¼ airplanes.
alphabets¼ lost
dogs and people of any description.LJ Last night
I chose to read this fair-haired
son of mine a children's book ap-
propriately titled \"Families.\" In a very
graphici¼ spirited and adoles-
cent manneri¼ its aim is very similar to the aim
of this book which
you hold in your hands.FI When Kathy and I first began this
projecti¼ many moons agoi¼ our very simple goal was to tell you--
and
perhaps more importantly show you--that we do not all have
to be the traditional
family of yesteryeari¼ the Ozzie and Harriets.
the I Love Lucysi¼ the Father
Knows Besti¼ to be validi¼ viablei¼ liv-
ingi¼ breathingi¼ functional

family units. That does not mean the family is dying. But it's clear that the family is changing. [q Of course the traditional family still exists to some degree. But it is not the predominant model. According to Miriam Galperin author of Joint Custody and Co-Parenting \ "The typical American family is more myth than reality. Today's typical American family life might include divorce remarrriage or two children from previous marriages~.. my children his children our children various in-laws ex-laws and so on? It's these newer alternative family forms as well as the traditional families that we'd like to introduce within the pages of this book. Join us for a look at joint custody families how they deal with schedules conflicts communication between ex-spouses and most importantly how the children are faring. We] show you how several single parents deal with the problems of overwhelming responsibility financial concerns and coping without
