wouldn't miss for the world (and neither would I for that matter)
is the familiar nightly session of bedtime reading; exploring exotic
lands
learning about witches
monsters
frogs
balloons
airplanes.
alphabets
lost dogs and people of any description.LJ Last night
I chose to read this fair-haired son of mine a children's book ap-
>propriately titled \"Families.\" In a very graphic
spirited and adoles-
>cent manner
its aim is very similar to the aim of this book which
you hold in your hands.FI When Kathy and I first began this
>project
many moons ago
our very simple goal was to tell you--
and perhaps more importantly show you--that we do not all have
to be the traditional family of yesteryear
the Ozzie and Harriets.
the I Love Lucys
the Father Knows Best

functional

family units. That does not mean the family is dying. But it's clear that the family is changing. [q Of course the traditional family still exists to some degree. But it is not the predominant model. According to Miriam Galperin author of Joint Custody and Co-Parenting "The typical American family is more myth than reality. Today's typical American family life might include divorcee's remarriage or two children from previous marriages... my children's his children's our children's various in-laws' ex-laws' and so on?[] It's these newer alternative family forms as well as the traditional families that we'd like to introduce within the pages of this book. Join us for a look at joint custody families how they deal with schedules conflicts communication between ex-spouses and most importantly how the children are faring. We] show you how several single parents deal with the problems of overwhelming responsibility financial concerns and coping without
