Book Description Accurate and up to date, eloquently written and intelligently presented John Santrock's Adolescence 7th edition strikes the balance for faculty and students. In this significant revision of his market leading text, John Santrock continues to present cutting edge research and offer strong coverage of important topics such as culture, ethnicity and gender, and school related issues. For the first time, expert consultants have worked with Santrock on all eighteen chapters to update approximately one third of the previous edition's references. To insure the utmost accuracy and currency of material more of its' references derive from 1995 or even more recently published sources. In addition, the text's already strong pedagogical system has been improved to help student's better organize and think critically about the material. John Santrock's Adolescence is written to satisfy the

needs of those instructors that for a successful combination of up to date research and strong content, real world applications, and student friendliness. Book Info Univ. of Texas at Dallas. Textbook presents cutting-edge research and an integrated coverage of culture, ethnicity, and gender. A 'Careers in Adolescent Development' feature has been added to show how to apply the concepts in this course to future career endeavors. Interactive CD includes exercises and test preparation questions. Softcover. --This text refers to the Paperback edition.
