Book Description Our Mamas and Grandmas worked for hours to prepare the foods that we love to remember. Today we don't have that much time, but we can still relive those tastes. TV's colorful Mr. Food lives today's busy life-style, too, so he's come up with over 250 new and exciting recipes from his popular TV show to re-create those tastes, without all the old-time work. Following the success of his last book, The Mr. Food Cookbook, Mr. Food Cooks Like Mama is about making new memories with today's popular foods, along with remembering the flavors from Mama's kitchen. He uses all easy-to-get, readily available items to make it so much easier to say Ooh it's so Good!! About the Author Art Ginsburg has been appearing as Mr. Food for more than fifteen years, and his show is the largest food news insert in the nation, seen in more than four hundred cities. He has sold almost two million of his Mr. Food

cookbooks. A native of Troy, New York, he now resides in South Florida, where he produces his syndicated television show.
