From Library Journal Her daughter's estrangement, her husband's suicide, her show's cancellation...a while back, Rivers had a truly terrible year. Here she explains how she managed to survive. Copyright 1996 Reed Business Information, Inc. From AudioFile Not everyone has comedienne Rivers's problemsÐÐa husband who committed suicide, a canceled talk show, a \$3 million loss on a failed jewelry businessÐÐbut the depression that followed these events is common. Reading her self-help bookÐwith a side of wryÐRivers combines her stinging wit with a motivational message ("Get on with your life!") and a delivery she's perfected

for more than 30 years on stage and TV. This book is just what the therapist ordered.
