Book Description The verdant pastures of a farm in Illinois have the placid charm of a landscape painting. But the horses that graze there have become the obsession of a woman who sees them as the fulfillment of every wish: to win, to be honored, to be the best. Her ambition is the galvanizing force in Jane Smiley's first novel, a force that will drive a wedge between her and her family, and bring them all to tragedy. Written with the grace and quiet beauty of her Pulitzer-Prize-winning novel, *A Thousand Acres*, *Barn Blind* is a spellbinding story on the classic American themes of work, love, and duty, and the excesses we commit to achieve success."Chilling... Jane Smiley handles with skill and understanding the mercurial molasses of adolescence, and the inchoate, cumbersome love that family members feel for one another." -- The New York Times From the Inside Flap The verdant pastures of a
