HS~N Lord Nectarine of Walham Green re-<br>gned his mastership of foxhoundsi¼Œ got rid<br>of his ~fe and shut of his children and happily set tip as a bache-<br>lor againi¼Œ installing an attractive erudite housekeeperi¼Œ and a male<br>secretary hard of hearingi¼Œ in his new commodious town housei¼Œ<br>Schultz enjoyed to consulti¼Œ lunch and dine with his Lordship with<br>as much frequency as 13is Lordship s tight schedule of social events<br>allowed. Discussing with the noble peer how he might cut adrift<br>from bis own burdensome spouse.<br>\ "Of course Schultzii¼Œ you know that foul medmds such as murder<br>are out of the question. In any event the black eyes your wife has<br>succeeded in repeatedly giving you demonstrate that you might<br>come a cropper in violently attempting her death.\ "<br>At a quarter to noon ea(:h day his Lordship s chauft eur de-<br>posited

him at Hyde Park Corner where he enjoyed to stroll up  
and down the slight hills along Piccadilly. Although he limped  
slightly from a cricket ball having smashed him on the knee.  
his
