This book was a collaborative effort. Many people contributed ideas and editing suggestions. Phyllis McCarthy reviewed and checked all the chapters, prepared many of the notes, and guided the book to publication. In addition to the authors, Lori Abrams, Mimi Brody, Barbara Freeze, Allen Greenberg, Janet Hathaway, Joan Levini, Jan Pilarski, David Vladecki, and Sidney M. Wolfe, all of Public Citizen, reviewed the book for accuracy and presentation. Carl and Irene Auvil, Natalie Marrai, and Anne Strainchamps prepared research materials. Among the knowledgeable individuals from other organizations who generously reviewed the book for technical content and clarity are Richard Ayers, Natural Resources Defense Council
