Tom Kensler, Denver Post, Dec 19, 1999 Includes bios on 275 past and present players but doesn't read like a dry reference book and includes wonderful photography. --This text refers to the Hardcover edition. Review Tom Kensler Denver

Post : Includes bios on 275 past and present players but doesn't read like a dry reference book and includes wonderful photography.Nancy P Reed American Reference Book Annual : This is an impressive book with beautiful illustrations. The information it contains is equally extraordinary.Patricia Billing Good Times : Fascinating accounts of miracle shots and near misses, tournaments and courses, along with a Fact File containing statistical information. --This text refers to the Hardcover edition.
