Product Description An indispensable handbook for high school and beyond, the new Sixth Edition of Writing a Research Paper retains the clear focus and organization that have benefitted students for thirty years, making the work a modern classic. Updated for the 21st century, the new Writing a Research Paper, 6th Edition, guides students to wise use of the free scholarly resources available on the Internet, new ways of using libraries online, and the latest academic requirements for research and citation. --This text refers to the Paperback edition.
