Updated and revised, Grammar Dimensions, Platinum Edition makes teaching grammar easy and more effective than ever. Clear grammar explanations, a wealth of exercises, lively communicative activities, technology resources, and fully annotated

Teacher's Editions help both beginning and experienced teachers give their students the practice and skills they need to communicate accurately, meaningfully, and appropriately.

Level: Intermediate to High Intermediate

- \* Students practice the form, meaning, and use of each grammar structure.
- \* User-friendly and contextualized grammar explanations help students understand the target language.
- \* A variety of communicative activities helps students practice grammar and communication in tandem, eliciting self-expression and personalized practice.
- \* Engaging listening activities expand the target structure.
- \* Workbook provides extra practice and helps students prepare for the TOEFL Test.
- \* Teacher's Edition now contains answers, tests, tape scripts, and complete, step-by-step teaching suggestions for every activity.
- \* Grammar 3D CD-ROM includes over 500 activities and gives students even more practice in mastering the grammar structures.
