American Shine is an exciting four-level course for high school learners of English, taking them from beginner to intermediate level. A systematic approach to grammar is set within topic-focused units focusing on students' interests.

#### KEY FEATURES

- \* A lively storyline in each level keeps students interested
- \* The photographic design gives the course a magazine feel, appealing to teenagers
- \* Systematic and contextualized grammar means students build on what they learn
- \* Practical study tips enable learners to take control of their own learning
- \* Regular review units and photocopiable tests help consolidate learning
- \* Shine on Real Lives is an engaging and motivating video which accompanies the course
