Introducing Harvey - the busiest beaver in the world! Harvey's friend Chip has come to wish him a happy birthday, so Harvey decides to bake a birthday cake. But first, he needs to find his cookbook. Once they have tracked down the recipe, they study it carefully and find all of the ingredients. Together, the two beavers mix up the batter, bake the cake, do the washing up and set the table. Finally, it's time to eat their delicious cake! Young readers will love learning about the baking process and identifying all of the beavers' tools and ingredients. At the end of the book, a special recipe enables them to bake their own cake - just like Harvey!
