This is the undisputed bible for film enthusiasts and trivia buffs everywhere—a must-have for every moviegoer. Long established as the first and last word in

movie-going information, this guide promises to be as cutting edge as it is comprehensive. Fully revised and updated to include hundreds of new films, this is the longest running guide to the film industry, and is packed with cast and credit information and pithy commentary on the classics of the silver screen, the latest blockbusters, and everything in between. This beautifully designed, perennially entertaining, comprehensive, and indispensable guide includes plot synopses and evaluations, video cassette, laser disc, and DVD availability. Plus reader-friendly icons denote films suitable for family viewing, Academy Award winners and nominees, soundtrack availability, and video format compatibility, and lists four- and three-star films by title and year.
