Your name is a fundamental part of your identity, and choosing a name is the most important decision in a person's life. Your name embodies your personality, talents, aspirations, desires and beliefs. The Chinese name represents your destiny, and a well-chosen one will almost certainly have a positive influence on your future. This unique guide features: Over 500 examples to help you learn the basic skills in forming a name that best suits you; The classical meaning (not found in modern dictionaries) of over 1,000 Chinese characters; Comprehensive lists of desirable and undesirable Chinese characters; The myths, legends and superstitions behind each character; Inspirational anecdotes from the lives of China's most prominent personalities.
