Join Jack, Annie and their magical tree house on an adventure every day; across the world and through time, from outer space to ancient Egypt!

## About Magic Tree House

Magic Tree House is a book series for young children written by Mary Pope Osborne and illustrated by Salvatore Murdocca. The series features two children, the bookworm, serious, intelligent Jack and his adventurous, excitable and imaginative younger sister Annie, who travel to historical places using a magic tree house. The magic tree house belongs to Morgan Le Fay who, in the series, is King Arthur's sister and a librarian. She uses the magic tree house to gather books from time and space.

Jack and Annie travel by opening a book, pointing at a picture of a place and then wishing that they could go there. The magic tree house then spins around and magically they arrive at the location. In the first series, Morgan Le Fey sends them on numerous adventures.

The first series contains 28 books. After the twenty-eighth, Mary Pope Osborne started a second series called the "Magic Tree House Merlin Missions". These books are longer than the other 28, and some take place in fantasy places. In these missions, Jack and Annie have quests from the ancient wizard Merlin the Magician. So far, there are 92 books named. Their titles are listed below. Twenty Five Magic Tree House Research Guides (nonfiction companions to the series) have been written to date with more information about the historical places and events which Jack and Annie visit in the Magic Tree House Series. The subject of the research guides is roughly in the same order as the subjects from the series. For example, the first book in the Research Guide series is called Magic Tree House Research Guide #1: Dinosaurs and is a nonfiction companion to "Magic Tree House #1: Dinosaurs Before Dark".

## 评论

骑士为什么无缘无故帮小孩呢？Annie真是个天不怕地不怕的主，小时候都盼望着长大，长大后才知道小时候的记忆多么珍贵，可能是自己的心智还没成长好吧。

-----  
原版阅读#6

-----  
我只能說Annie真的太勇敢，不怕闖出禍來。然後，每次Jack都會因為妹妹而心軟，之後跟著一起去冒險xd但是故事有一個很奇怪的位置，就是怎麼騎士會莫名其妙地救小孩子呢？

-----  
The knight怕不是个哑巴吧…

-----  
儿童穿越剧+科普知识剧；很不错的儿童小说，强烈推荐英语基础薄弱或者从未阅读过英文原版书的同学看。
