Nearly 250,000 copies of this wonderful gift box have been sold round the world, and

every parent of a new baby would cherish. The pretty reusable box (perfect for storing keepsakes) contains two lovely volumes destined to become cherished family heirlooms. My Baby is half memory book for recording every milestone in your infant’s life and half guidebook for new parents, packed with hints on caring for a newborn. It even includes instructions for knitting a simple baby sweater and making a patchwork crib quilt, as well as ten recipes for delicious, easy to prepare first solid foods. Plus, there’s a handbag-sized photograph album to show off 20 of your favorite 4x6 baby shots. As a bonus, The Baby Box also has ten charming and colorful Mother Goose cards with envelopes, to use either for birth announcements or thank-you notes. Superbly packaged, this kit is truly one of a kind!
