Better Than Ever
One afternoon my daughter^{1/4} Lisa^{1/4} and I were going
through our collection of family snapshots. There was^{1/4} one Milt had taken of me
before we were married. I^{1/4} looked at that long-ago girl^{1/4} smiling at the man
she^{1/4} loved^{1/4} and thought^{1/4} "Oh^{1/4} ff I could only start all over^{1/4} again

I started being middle-aged^{1/4} are over.^{1/4} "^{1/4}Don t laugh^{1/4} but I think^{1/4} today. My

butterfly years
He did laugh.

past. Your butterfly years are still ahead. You are just
emerging from your cocoon\\"", dear. It takes a lot of living to produce a butterfly.\\"
